# FAQs

## How Long Do Our Projects Take?

Most websites are ready in about **3–7 weeks**, and mobile apps take around **4–8 weeks**. We break the work into clear steps, share every milestone with you, and keep you updated.

## Do We Offer Ongoing Support?

Absolutely. We provide maintenance packages, performance monitoring, security updates, and feature enhancements to ensure your digital assets stay competitive.

## How can we get started with you?

Simply reach out to us via email at [hrdesk@xpertnote.com](mailto:hrdesk@xpertnote.com) or call us at **+91 828788- 3300** . We'll understand requirements and provide the best possible solution..

## Do you help with digital marketing after launch?

Yes. We offer SEO, Social Media Management, Google Ads, and content marketing to grow your business.

## How much will the project cost?

Pricing depends on features and complexity. We provide a detailed quotation after understanding your requirements.
